

Minera IRL Announces a US\$1 Million Debt for Equity Swap With Resource Capital Fund

London, 28 June 2010: Minera IRL Limited (“Minera IRL” or the “Company”), (TSX:IRL) (AIM:MIRL) (BVL:MIRL) the Latin American focused gold mining, development and exploration company, announces that it has entered into an agreement with Resource Capital Fund III LP (“RCF”) to exchange the US\$1 million outstanding principal amount of the RCF Working Capital Facility for the issue of 1,111,111 million new ordinary shares in the Company at a price of US\$0.90 per share.

“RCF has been a long term supporter and shareholder of the Company and we welcome their continued support.” said Courtney Chamberlain, Minera IRL Limited Executive Chairman.

The issuance of the new ordinary shares is subject to regulatory approval, including the approval of the Toronto Stock Exchange (“TSX”). The debt for equity swap is subject to customary closing conditions for such a transaction, and the Company expects the transaction to close by June 30, 2010 (“Closing”). Application will be made to list the 1,111,111 new ordinary shares on the TSX stock exchange and for the admission to trading on AIM of the shares, to be effective on, or shortly after, Closing.

The new ordinary shares will be subject to a four month hold period under applicable Canadian securities laws.

Following Closing, the Company’s enlarged issued share capital shall comprise 86,786,284 ordinary shares and RCF’s interest in the Company will increase from 2,770,174 to 3,881,285 ordinary shares, representing approximately 4.47% of the Company’s then enlarged issued and outstanding share capital.
